B-Listers Roll Up Big 63-40 Victory Over Dean's Team

Last semester's traditional skirmish between the "B-listers" and the "Dean's team" resulted in a decided victory in favor of the brain power. Sixty-three "B-listers" proved conclusively to forty less fortunate Dean's men that the age of diligence is not yet dead at Ursinus.

Those who won the battle of the A-B grade include:

Guenther R. Ackerman, Nancy R. Bare, Willard E. Baxter, Suzanne Boyd, Nancy A. Brasch, Lois C. Brown, Charles R. Burk, William F. Burkhardt, Samuel W. Clover, Norman N. Cohen, Barbara J. Pre-Medders Plan To Present Talks At Their Meetings

This year the James M. Anders Pre-Medical Society has planned a full and interesting schedule of speakers and educators for its bi-monthly meetings. Through the work of the society's president, Pierre LeRoy '51, topics of interest will be presented to the student body and faculty, who are cordially invited to attend the meetings.

The medical society is particularly interested in inviting the new students in order to further their interest in medicine, biological sciences, and extra-curricular activities.

Within the next few weeks, Dr. J. Dugger will present a film in color on a typical "Caesarean Section." He will also present a lecture.

Dr. Rugger is head of the Department of Obstetrics and Obstetrical Surgery at Episcopal Hospital, and a member of the staff and faculty at Jefferson Medical College.

Other doctors on the semester's program will present the following lectures and films: "Ear and Sense of Balance", "Thoracic Surgery", and "Brain Surgery", with special reference to cerebral nerve blocks.

The date of the first meeting will be announced in the next issue of the Weekly.

Editor Announces Positions Available on 'Lantern' Staff

Emile Schmidt '51, editor-in-chief of *The Lantern*, campus literary magazine, announced recently that the positions of associate editor, business manager and typist are available. All those interested may write to *The Lantern*, Box 12, listing their former experiences in the field of writing.

Improper Parkers Served Notice

In an attempt to keep the campus open for possible use in emergencies by fire apparatus and ambulances the College has announced that it will be necessary to tow all cars off campus that are improperly parked after Oct. 15.

Students on campus are asked to cooperate in proper parking so that off-campus students will have room to park.

STUDENT ACTIVITIES

There will be a student activities meeting on Oct. 10 at 7 p.m. in S12 for heads of all organizations to arrange the social calendar for this year.

CUSTOMS 'NEW LOOK' — Lynn Pollitt, of Trenton, New Jersey adjusts a pants leg for Bob Bickel, Collegeville. New to customs is the girls' green dink, which replaces the green band.

Co-Editors of 1950 Yearbook Announce Appointment of 13 Department Leaders

Gaining an early lead in their battle with time, the 1950 Ruby co-editors have announced the names of the staff heads who will help to put together this year's publication.

Organizing the senior section of the book has fallen into the hands of Suzanne Deitz and Dolores Myers. Roger Dreschler and Patricia Richardson will have charge of the campus organizations; Roy Foster and Jean Heron will head the sports section; Murray Grove and

Norma Marmor will see that the school activities go to press; and Nancy Brasch and Richard McKee will manage the faculty and administration division.

As chairman of the art and general ingenuity department, Joan Verburg will help to put many of the finishing touches on the book. Charles Stokes has agreed to record the school year by photography, and Marjorie Paynter will head the typist brigade.

Aubre Givler and Nancy Bare, co-editors of the annual, have laid basic plans for their year-long task, while Robert Moorhead, assisted by Pierre LeRoy, has already begun the money-making activities so important to the success of the book.

Y Members Clean Recreation Center

Sixteen members of the YM-YWCA Saturday morning donned overalls and jeans, rolled up their sleeves, and went to work on cleaning up the Rec Center, reportedly doing everything from scraping paint from pipes to washing light globes.

The group was carrying further the Y's project of renovating the center. This week the floor will be painted, and the tables and chairs will be refinished at a later date.

The Y Cabinet last week ordered the purchase of a pop-corn machine. Other dispensers will be installed later. Proceeds will be divided between the Y and the 1951 Ruby.

Participating Saturday were Bob Herber, Carolyn Herber, Mabel Faust, Molly Hall, Elaine Kerr, Jim Johnson, Jay Ely, Harry Markley, Boyd Schellhase, Don Brown, Joanne Heckman, Donna Weber, Lois Ehlman, Nat Johnson, Nancy Mat-terness, and Jeanne Cilley.

CHI ALPHA

Chi Alpha, an organization specifically for those planning to enter full-time Christian work, will hold its first meeting this evening at 7:15 in the Freeland reception room. All old members and interested freshmen are invited.

Enrollment Drops to 805; Freshmen Number 197

Roberts Returns to Ursinus as a Member of the Faculty; Pre-Matriculation Program Keeps Frosh Busy, Informed

Ursinus College opened its 1950-51 season last Monday with an enrollment of 805 students, a drop of 169 from last year. The freshmen class is 197 strong as compared to 234 in 1949.

Because of the drop in enrollment the use of the Brith Sholom annex has been discontinued. The annex has been used since the war years as dormitory space for men students.

The college will celebrate its annual Founders' Day exercises on October 18. The program will be held in Bomberger hall with the Hon. Samuel K. McConnell, representative to Congress from this district as the speaker.

Roberts Joins Faculty

Among the many new faces on campus this year are those of several professors. One of these is Mr. Alfred D. Roberts, instructor in Romance languages.

A graduate of Ursinus '49, Mr. Roberts was valedictorian of his class. He studied Italian under the army program and had experience with Italian prisoners of war. In addition, he has been doing graduate work at the University of Pennsylvania, receiving his master's degree in June.

Mr. Roberts is a married veteran with one child. He and his family are residing in Pottstown.

Dr. Cornelius Weygandt, professor emeritus at the University of Pennsylvania, has returned to Ursinus as a visiting professor in modern poetry this year.

Y Schedules Events For Near Future; Rally Wednesday

With an eye to a year full of interest and variety the YM-YWCA has already scheduled a number of events for the near future. Among these are a Y rally Wednesday evening, vesper services every Sunday night, a week-end retreat and an outstanding speaker. In addition Y boosters have concluded a freshman orientation program which began with a welcoming committee Sunday, September 24, and ended with a "get-acquainted" dance Tuesday evening.

Among the first of several important speakers the Y will help to sponsor this year will be the Reverend Mr. Edward G. Harris, Chaplain of the University of Pennsylvania. Mr. Harris' appearance here as a Religious Emphasis speaker is scheduled for October 18.

To Conduct Rally

Definite plans for the annual Y rally have set this Wednesday evening as the date and Bomberger chapel as the place. Freshmen especially are cordially invited to attend the meeting during which customs may be discarded. Y leaders will serve refreshments in the Day Study after the meeting.

Further plans for the future include the traditional autumn Y retreat to be held at a nearby camp on October 13, 14 and 15. More detailed plans will be presented later.

Mabel Faust '51 and Robert Herber '51, Y co-presidents, conducted last evening's Vesper service in Bomberger chapel. The topic was "The American Charter and Humanitarian Spirit."

Omwake Leaves Ursinus To Accept Virginia Post

Dr. Norman E. McClure, president of the college this week announced the resignation of Stanley Omwake from the position of assistant treasurer of the college. Omwake will become the treasurer of Sweet Briar College, Sweet Briar, Virginia, on November 1st.

The son of George Leslie Omwake, who was president of Ursinus from 1912 to 1936, Mr. Omwake was graduated from Ursinus in 1931 and from the University of Pennsylvania in 1933 with the degree of master of Business Administration. From 1934 to 1944 he was an administrative assistant, first to President Omwake and later to Vice-President D. L. Helfferich. He has held his present post since 1944.

Mr. Omwake also is acting chairman of the Committee on Training and Placement of the Eastern Association of College and University Business Officers.

His successor at Ursinus was not named.

VETERANS NOTICES

Any veteran under the G.I. Bill who has not completed his registration in Room 1, Bomberger, do so immediately. Sub-sistence payments cannot be made until this is done.

On Wednesday, October 4, at 12:30 p.m. an Air Force representative will discuss opportunities for college graduates in the United States Air Forces in Room 7, Bomberger. All seniors are invited.

Thespians To Hold Reception Tuesday At Super House

"Come ye budding actors, scene shifters, costumers and devotees of the dramatic arts!" The porch light will be on, the welcome mat out and the food spread Tuesday night at Super House for a reception for new and old members of the Curtain Club. Any student who is not a member, but is interested in the activities of the club, is invited to attend, and a special invitation is extended to freshmen.

The reception will begin at 7:30 p.m. and officers will explain the functions and systems of the organization. All old members are urged to attend, in order that plans may be made for the coming year.

A meeting of stars and players, as well as Alpha Psi Omega members, is scheduled for 7 p.m., the same evening. Other members and all interested freshmen are requested to come at 7:30 to the home of the vice-president of the college, 542 Main street.

Robert Rosenberger Confined To St. Joseph's Hospital, Reading

Robert Rosenberger '51, president of Sigma Rho Lambda fraternity and managing editor of the Weekly, is confined to St. Joseph's hospital, Reading, with a broken femur suffered in a head-on collision Sept. 13 outside the Berks county seat.

He is expected to be confined for about 10 or 12 weeks, and will not return to Ursinus until the spring semester.

Cliff Jewell, who graduated last June, was also a passenger in the car driven by Rosenberger. He was treated at the hospital for a broken ankle and has now returned to his home.

NEW COURSE OFFERED

One of the new courses at Ursinus this year is Education 24, or Visual Aids. It is required of all five-year students for permanent certification in Pennsylvania. (It is not required for general certification.)

Education 24 includes the study of techniques used with various visual and aural aids in education. The course will deal with the operation of movie projectors, slides and sound mechanisms and the making of maps and charts.

EDITORIAL

Destiny

The tissue of the Life to be
We weave with colors all our own,
And in the field of Destiny
We reap as we have sown.

—John Greenleaf Whittier

The opening of Ursinus' ninth decade finds this year one of destiny for several prominent campus institutions.

Sharing the spotlight on a campus pervaded by a spirit unparalleled in years are football and customs. The "Destiny Team" faces the task of achieving a winning season in order to retain support. Customs, witnessing their first administration by the Student governments, must prove that the new regulations are an improvement over the old.

But we must not trust these accomplishments to chance; destiny can be molded.

In order to reach the above objectives, proper machinery must be employed in both cases. The "Destineers" must master football, and the Student Councils must understand the process of orienting freshmen.

But equally important are the realization by each member of the student body that something can be done to shape these destinies and subsequent cooperation and support. Proper machinery alone cannot produce results. It must be kept in motion by all of us on campus as we push production to an all-time high.

Let's not trust a winning gridiron record and improved customs to chance; let's shape destiny.

Welcome !

The Weekly joins the voice of Ursinus that extends a most sincere welcome to each member of the Class of '54. It is our hope that the time you spend here will be the happiest of your life.

Campus Chatter

The return to campus last week found spirits exceptionally high—excluding liquids. Everyone seemed willing to accept even prohibition in an effort to "dig with the destiny team" in "sixty minutes of fight". The spirit committee was working, and most effectively . . . And speaking of work, the 1950 Ruby is reportedly concocting something really new and different in dances . . . will be held Friday night in the gym . . . A date to note is October 31, when the IRC will present Representative John C. Kunkel . . . The solon is now in Europe and should be experience—inspired on his return . . . Watch for things to pop in the "rec" center . . . The Y cabinet last week ordered a popcorn dispenser in some of the first action in its Center project.

Councils Clarify Freshman Customs

Editor's Note:- Following is a summary of the new customs regulations prepared for the "Weekly" by the Student Councils.

In an attempt to rectify the mismanagement of freshmen customs in previous years the Student Councils polled the student body and compiled the results to formulate freshmen customs for 1950.

New regulations for women are:

1. All Freshmen must attend freshmen customs meetings.
2. These meetings will be held for the purpose of learning campus songs, college cheers, rules, traditions, and the history of the college.
3. Freshmen women must wear customs apparel for the duration specified by the committee. This includes green dinks, name tags, combination sox, no makeup and no jewelry.
4. Freshmen women must show respect to upper-classmen and faculty and greet everyone on the campus.
5. Freshmen women may not sit on the steps of any building, cut campus, use the main path from the gateway to Freeland except at mealtime, or use the front door of Bomberger except for special functions.
6. They must use the longer path around the circle in front of Bomberger and must use the east door of Bomberger.
7. Women must sit on the right side of the library.
8. There will be one stunt day during the period of customs.

The above rules are the extent of the hazing of freshmen women, exclusive of their meetings, and should be enforced by all upper-classmen, especially sophomores. Infractions of these rules should be reported to the Women's student council or to the Freshmen customs committee. They will be dealt with by the Judiciary Board of the Women's Student Government Association.

The Freshmen Customs Committee consists of: Joanne Nolt, chairman; Marjorie Mersfelder, Janet Vart and Molly Sharp, elected by the sophomore women. The three council members are Jane Gulick, Jane Hartzel and Patt Richardson.

New regulations for freshmen men are:

1. Freshmen will give a gentlemen's greeting, good morning, good afternoon, or good evening, to all sophomores and upperclassmen. They will tip their hats by the button to all women and members of the faculty.
2. Freshmen committees will be appointed to assist various campus organizations throughout the football season: Ruby, football managers, etc.
3. The traditional step show will be combined with one by freshmen women.
4. Customs apparel for each man consists of a red dink worn squarely, a name button on the left breast, one red and one black sock, pants legs rolled up three turns, and a black bow-tie on a collar.
5. Freshmen are not allowed to cut campus at any time.
6. Freshmen are not permitted to sit on the steps of Freeland or Pfahler halls.
7. Freshmen must use the longer path around the circle in front of Bomberger and must use the east door of Bomberger at all times.
8. Freshmen are required to learn the campus song and the school cheers.
9. Freshmen are not allowed to wear any high school or prep school insignia except jewelry.
10. Attendance of freshmen at home football games will be enforced if necessary.
11. Freshmen must attend all meetings called by the committee.
12. All freshmen except waiters must wear a coat to dinner unless eating at the training table.
13. Freshmen regulations may be rescinded or altered at the discretion of the committee in the event of academic celebrations, athletic victories, etc.
14. Freshmen may be organized for their own amusement and that of the upperclassmen by the committee.

These rules constitute the extent of freshmen hazing and should be enforced by all upperclassmen, especially sophomores. The Rules Committee, headed by Tom Davis '52, vice-president of the Men's Student Council, is composed of Harry Feulner '53, Bill Bond '53, Bruce Anderson '53 and the remainder of the student council as well as three sophomores elected by the sophomore men, approved and deputized by the student council. These three are Bill Dimon, Howard Roberts and Dick Gellman.

Infractions of customs should be reported to the Men's Student Council or the three representing sophomores, who will handle them in a judiciary meeting as any other violation.

Frosh Girl Hails from Iraq

by Susanne Deitz '51

If you've blinked at seeing a Freshman girl who lists Kirkuk, Iraq, as her home town on the familiar tag, you can really believe your eyes. This brown-haired miss from Maples is Lois Glessner, daughter of Rev. and Mrs. Jefferson C. Glessner, first missionaries in Kirkuk, in the heart of the oil fields of the Iraq Petroleum Company, a British firm staffed by American engineers and Arab workers. Lois, who was born in Bagdad, has often actually lived out of a suitcase in her short but eventful life.

With the exception of a few early years when she lived in Eastern United States and Ohio, Lois has spent all her life in the Near East. She attended, as a boarding student, the American Community School at Beyrouth in the Lebanese mountains.

She has visited extensively in Egypt and Palestine, where so much recent history has been made. Most of her traveling has been done by boat and train, and she adds that the Arab trains are a horror that she wouldn't wish on her worst enemies.

During the Palestinian War, which Lois says was really a war, she was at school in Beyrouth. Because of the Anti-American feeling following the U.S. vote for the partition of Palestine (a move strongly opposed by Americans in the Near East), the school was forced to close for the protection of its students. After several boring days of enforced idleness, Lois and several friends decided to attend Sunday evening services at the University of Beyrouth, an American school for Arab natives. When they arrived at the university they met friends of theirs, an American professor and his wife; the group found the second floor chapel almost deserted and were even more amazed when they heard a great deal of noise on the first floor. Soon a large group of local students and several instigators appeared, and, amid many violent speeches and "Back to Palestine" songs, all in Arabic, the frenzied mob conducted a wild demonstration against Americans, much to the terror of the small group in the rear of the hall. Soon, however, the mob marched out singing, and Lois and her friends hurried out the back door and back to the school. During the following week the bitter antagonism faded and all was quiet once again. Lois feels this rapid change of mood to be typical of the Arab temperament.

Now, after many interesting experiences in Lebanon and Jerusalem, Lois has come to Ursinus and is already very fond of the school with its peaceful-by-comparison atmosphere.

Scribe Pens WSGA Notes

by Jane Gulick '53

Initiations seem to be the order of the day at Ursinus, with green and red dinks decking the campus. While the college as a whole thus colorfully welcomes the benighted frosh, the individual girls' dorms also prepare their own special "hellos" . . . In the not-too-dim future, freshmen girls will be formally initiated into their dorms by the sophomores and upperclassmen. Smaller dorms will hold their initiations with other, larger dorms. Houtz will go to Bancroft, Sprinkle to Duryea, Studio Cottage and Super House to Rimby's . . . Sprinkle now joins the ranks with its own executive board. President for the first semester is Janice Pastorius and senator is Nancy Ott. Both girls are freshmen . . . The Women's Student Council set tentative dates for its important annual events. The Frosh dessert is to be held tomorrow night at 6:45. The Junior-Frosh breakfast is scheduled for Old Timers' Day, Oct. 21. The Christmas banquet is Dec. 13 and the Lorelei is Feb. 16. These dates are, of course, not definite until the complete social calendar is approved . . . Ann Royer '52 has been boosted to the post of Booster Committee chairman for this year. Ann was one of the most reliable members of last year's committee, and her posters saw yeoman service . . . Those elusive day students are about to be pinned down! Anyone unable to find a day student whom she is trying to contact should get in touch with Polly French '52. Polly has been appointed as go-between and contact man for the Day Study.

Y Reception Committee Expands Activity; Wins Plaudits for Its Freshmen Program

The Y reception committee, organized on campus last year to conduct week-end tours, expanded its work during the recent pre-matriculation program to aid in welcoming and orienting freshmen. The project was termed so great a success that it will be continued in the future. It was praised by both Registrar Phillips and Dean

Ursinus Grad Gains Bowling Green Post

Barbara J. Deitz '48, Webster Groves, Missouri, former vice-chairman of the World Christian Youth Commission, has been appointed associate director of the Student Christian Fellowship at Bowling Green State University, Bowling Green, Ohio. She is the daughter of Rev. Dr. Paul Eugene Deitz, Ursinus '20, executive secretary of the Board of National Missions of the Evangelical and Reformed church.

For the past two years she has been a student in Yale Divinity School, during which time she worked part time as New Haven YWCA teen-age group worker and as director of week-day religious education at Fair Haven Junior High School.

During the summer of 1948 Miss Deitz attended the WCYC meeting in Switzerland, two work camps in France and the first assembly of the World Council of Churches at Amsterdam. The following summer she returned to Europe as co-chairman of the European-American Student Seminar of the World's Student Christian Federation and assistant director of the NICC work-study tours in England, Switzerland and Germany.

While at Ursinus she was on the editorial staff of the *Lantern* and was active in the YWCA and the IRC.

of Men Pancoast as a tremendous help in acclimating members of the class of '54 to Ursinus life.

The freshmen and their parents were shown through the Pfahler hall of science, Bomberger hall, the gyms, and some dormitories. Then the committee assisted the newcomers in whichever way help was needed most.

Dick Lyttle '51 is chairman of the group. Other committee members are Bob Herber '51, Paul Scheirer '51, Jim Johnson '51, Don Brown '52, Jack Christ '51, Aubrey Givler '51, Elaine Kerr '52, Carolyn Herber '52, Joanne Heckman '52, Mabel Faust '51, and Nancy Matterness '52.

The Y's Campus Affairs commission also participated in the program for freshmen by sponsoring a dance Tuesday night in the Thompson-Gay gymnasium.

The record dance was well-attended. Entertainment was furnished by the '51ers, Jack Christ, and Bill Van Horn.

Public Causes Problems For 'Seeing Eye' Dogs

Ed Ruch and Stan Blake claim the unique distinction of having the only four-legged, female roommate on campus.

The young lady is "Spar," Ed Ruch's 18-month-old seeing eye dog. "Spar" was graduated four months ago from the Seeing Eye school in Morristown, New Jersey.

At the school "Spar" was taught the techniques of providing sight for those visually handicapped. But now "Spar" finds that helpful and kindly-intentioned people offer a greater peril than the traffic of New York City. The public too often interferes with her task by attempting to lead her master across streets and intersections.

"Spar" believes that the public can be most helpful by allowing a seeing eye dog and its master to meet and solve traffic problems as they have been taught. If only people could realize that these two neither need nor seek help, the problem of overcoming their own handicaps would be simplified.

IN MEMORIAM

The Weekly extends its sincere sympathy to the family and friends of Mrs. T. S. Jacobson, who died August 20, 1950. Mrs. Jacobson served Ursinus College and its students as preceptress of 944 dormitory for five years.

IRC Plans Lehigh Trip To Hear Talk on China

The International Relations club is sponsoring a trip on Tuesday to Lehigh University to hear a talk by John Christie, who recently returned from China. All IRC members and all freshmen are invited to join the group, which will leave Ursinus at 6:45 p.m. Everyone planning to go should meet in room 3 on Tuesday at noon.

Any students interested in international relations and freshmen, especially those majoring in history, political science, and economics, are urged to attend the organizational meeting of the International Relations club on Tuesday, Oct. 10, at 6:45 p.m. in the faculty room of the library.

'Whistler' and Cohorts Boost Morale As Fighting Spirit Invades Campus

Members of the student body have been deluged visibly and verbally by "spirit" for the past week. Headed by "Whistler" Donahue '51, the Spirit Committee has been trying to gain the attention, interest, and participation of everyone on the campus.

The committee is not an organized group, but merely consists of a number of active students who have been trying to maintain and possibly increase the enthusiastic support of the Ursinus football team. Anyone who is interested can become a member.

One of the group's immediate aims is to erect some kind of bulletin board on which projects for each game can be listed; anyone should then feel free to do some small thing voluntarily — make a poster, hang a few signs, or help decorate the campus—then check the item off.

The problem of finding cars to take students to away games is one the committee hopes to solve. It is hoped that those people taking cars to away games will meet in back of the dining hall before

the game, at a specified time in order to provide as many people as possible with transportation.

Don't forget the slogan contest the Spirit committee is sponsoring. Every week there will be a free subscription to the *Gridder* given to the person who writes the winning slogan to be used on the booster tags for the game the following week. This week's game is with Haverford, and their team is nick-named the "Fords". So try your luck, and give your suggestions to "Whistler" or any of his assistants.

On Old Timer's Day, October 21, when the Bears meet Swarthmore, there will be a parade with floats entered by each of the fraternities.

STUDIO-COTTAGE SINGERS

Any students or faculty members interested in singing Bach, Brahms, or Mozart may participate in the informal musicales at the studio-cottage the first Saturday evening of each month, beginning Oct. 7, at 8 p.m.

Campus Interviews on Cigarette Tests

Number 1...THE PUFFIN BIRD

"What's all the huffin' and puffin' about?
I've been a Puffin all my life!"

You may think this "bird" is funny — but he's no

odder than many of the cigarette tests you're asked to make these days.

One puff of this brand — one sniff of that. A quick inhale — a fast exhale — and you're supposed to know what cigarette to smoke from then on. The sensible test doesn't have to rely on tricks and short cuts. It's a day-after-day, pack-after-pack tryout — for 30 days. That's the test Camel asks you to make! Smoke Camels regularly for 30 days. Your "T-Zone" (T for Throat, T for Taste) is the best possible proving ground for any cigarette. After you've made the Camel 30-Day Mildness Test, we believe you'll know why...

**More People Smoke Camels
than any other cigarette!**

Gurzynski First Alumnus To Guide Bears Since 1931

by Don Stauffer '51

It had been nineteen years since an Ursinus graduate guided Ursinus football teams. In 1931 Ronald Kritchline '16, former Ursinus star, ended his stay as head coach. On September 6, 1950, Raymond Gurzynski '39, pulled on his familiar baseball cap and hurried out to take charge of an Ursinus football squad.

The blond, genial mentor is well qualified for the job. He was an outstanding performer on Patter-

The blond fullback became an established star in his junior and senior years. An old yearbook tells us that in the 6-0 triumph over PMC, "Gurzynski made the only score of the fray, going over from the six yard line standing up". In the Drexel game he intercepted a pass and raced sixty yards to the five yard line. Against Muhlenberg he sped 88 yards to score. Again the yearbook tells us that in the 7-7 tie with Dickinson, "Gurzynski and Roncace alternated to stage one of the best running attacks of the season."

He was also a better than average baseball player, hitting a respectable .277 while playing the outfield in his junior year. The Ursinus honor society, Cub and Key, had Gurzynski as one of its founders.

Today he is married and the father of a boy and girl. Daily he commutes between his Audubon home and the campus. During lunch hour you can find him chatting with athletes or giving advice to the Varsity club. In the spring of the year he digs out his stopwatch and beckons his track team for a coming season.

The College is to be congratulated for guiding Raymond Gurzynski to its gates; for he has done much to honor her past and it is believed that his devotion to Ursinus and her sons will do much to add to the future history of the school.

son Field in the late thirties, and in recent years has devoted much of his time to coaching high school and college teams.

It was on a September day, some sixteen years ago, that our present coach joined the Ursinus family. He came by way of Catasauqua, which also has given us Captain Don Young of the 1950 Bears. At that time the freshman had their own schedule.

Gurzynski played in the backfield that year and gave every indication of becoming an able performer. In his sophomore year he moved to the varsity and played a vital part in the three victories that the Bruins recorded. The opposition was very strong at that time, and Ray will tell you that victories were not achieved with anything less than maximum effort.

Delaware, Gettysburg, Muhlenberg, Colgate and Albright are but a few that Gurzynski and his teammates faced.

BILL HELFFERICH

Bill Helfferich '51 is one of the big reasons (and we mean 235 pounds of "big") that the coming season is heralded with such optimism. Bill plays offensive center and is used at defensive guard in this year's set-up. He was hampered by a shoulder injury last season and unfortunately has re-injured it this year. Nevertheless, he is expected to be able to throw his weight around with the customary skill he has exhibited in previous football, wrestling, and track campaigns.

Bill has been undefeated in the last two years of heavyweight grappling and has won the Middle Atlantic Conference unlimited championship in the last two tournaments. He is co-captain elect of this season's wrestling team, and again we will be able to witness his patented thirty-second pin or the throw 'em down and jump on 'em technique.

Despite all his sports activities, Bill finds time to be a member of the Weekly Staff, the Ruby Business Staff, and the Pre-Legal Society.

STEVE MUENCH

The oldest and one of the most popular members of this year's "destiny team" is likeable Steve Muench '51, a four year Navy veteran who is playing his third year of college ball. Having won two varsity letters since his transfer from Temple, Steve also played four years with his high school team in Audubon, New Jersey. The 200-pound guard is president of the Varsity Club, Demas, and the Interfraternity Council. "Pappy," as the boys call him, is married and is at present student teaching in the physical education field at Lansdale. Many also know Steve as the fabulous comedian of last year's band-without-music shows and as the emcee of the WAA minstrel show.

Every lineman looks forward to the day when he scores a touchdown himself; Steve recalls the final game of last season when he blocked a punt and scored, only to have the play called back. He feels that this year's team is the best since he has been at Ursinus, not only in talent, but in spirit and determination.

DON YOUNG

Captain Don Young '51 is one young gentleman who needs no introduction to the football, basketball, or baseball fans of Ursinus. Last year Don did everything in the backfield but blow up the football, as he gained 872 yards running and passing. The year before he was awarded the Maxwell Award as the outstanding back in the Philadelphia area for his performance in the 19-6 victory over Drexel. Don is no newcomer to the gridiron, for while attending Catasauqua high he was given all-state mention.

Although a three sport man and co-captain of the basketball team, Don also is a member of the Cub and Key, the Varsity Club, and the Alpha Phi Epsilon fraternity. He is a phys. ed. major and is preparing for a life of teaching and coaching. Don won't commit himself concerning the team's chances for a winning season, but as befits a good future coach, comments laconically, "we'll see."

STUDENTS! MAKE MONEY WRITING LUCKY STRIKE "HAPPY-GO-LUCKY" JINGLES!

I really am a Lucky guy,
Just got my Ph. D.,
To prove to you how much I know,
L.S., sir, means F.T.

I study French and English lit;
I study Latin too,
But words that I like best to hear
Are Lucky Strike, don't you?

It's easy! It's fun! No box tops to send! No essays to write! Just write a simple four-line jingle, and you may make \$25! Start today!

Write a "Happy-Go-Lucky" jingle, like those you see on this page, based on some phase of college life. If your jingle is selected for possible use in Lucky Strike advertising, we will pay you \$25 for the right to use it and your name in our advertising. Start today. "Happy-Go-Luckies" will soon be running in your paper. Send in your jingles—as many as you like—right away, and \$25 can be yours pronto if your jingle is chosen. Be the first to write a jingle in your school. Watch this paper for more "Happy-Go-Luckies."

READ THESE SIMPLE INSTRUCTIONS

1. Write your "Happy-Go-Lucky" four-line jingle on a plain piece of paper, or postcard, and send it to Happy-Go-Lucky, P.O. Box 67, New York 46, N. Y.

Be sure your name, college and address are included—and that they are legible.

2. Every student of any college or university may submit jingles.

Be Happy-Go Lucky!

L.S./M.F.T.-Lucky Strike Means Fine Tobacco

by Ford Bothwell '51

A victory for the Bears simply was not in the books. If spirit and will to win alone could have determined the outcome of Saturday's game, things might have been different. The student body was really fired up—Friday night proved that—and the players were more than anxious to open the "destiny season" with a triumph. But it was not to be.

You may say Ursinus got some bad breaks, and you'd be partly right. The Bears fumbled in their own territory as soon as they got their hands on the ball, putting them on the defense for almost the entire half. Then, just before intermission, Al Miglio, 185-pound speed merchant, took Drexel's kickoff and almost raced all the way. One more block would have sprung him loose, but he was too tired to cut behind his potential interference. In the second half a Bruin threat was stymied on the four yard line. And most disastrous of all was the injury to Ben Maliken, promising freshman fullback, on the first play Drexel ran from scrimmage. The former All-Shore back from Asbury Park High figured prominently in the Bruin offensive scheme, and he never even got a chance to carry the ball. Maybe it's wrong to expect much from a freshman who has never played a game of college ball, but no team can lose their offensive fullback and not suffer.

Drexel Was Superb

We're not trying to make excuses. These are facts. In spite of this, however, the fact remains that even with the breaks in favor of the locals the score probably wouldn't have been reversed. It might have been closer, but it is hard to believe that Ursinus could have matched the superb Drexel grid machine.

Coach Eddie Allen, athlete of the year in 1947 at the University of Pennsylvania, fielded a well-conditioned team that clicked with razor-sharp precision. Losing to such a club is certainly no disgrace. We knew about the big Dragon line, and we knew that Lew Gerlach and Joe Bigatel were as fine a pair of running backs as could be found in the district. But we hadn't quite anticipated the potentialities of quarterback Bobby Brown.

Brown Excelled

Brown had a fine team in front of him, and he knew how to run it. When the Bear line rushed he called for delayed handoffs to one of his elusive backs. And once these shifty runners broke into the secondary it was murder. When the Bruin forward wall ran in slowly Brown faded to pass, and he really knew how to pitch. And just to make sure he completely confused the opposition Brown mixed in a few quarterback sneaks, which gained 10 to 15 yards per try. Brown is as fine a quarterback as the Bears will face all season.

Despite the 26-0 count the Grizzlies were not completely outclassed. At times their defense showed signs of being impenetrable, but as was the case last year the Blue and Gold two platoon system simply wore them down. The Bear line held the Dragons for most of the first half, but the lack of any real offense put too much strain on the defense. It is interesting to note that our forward wall was able to halt most of the plays they could diagnose, but they were fooled too

Booters Start Practice Under Genial Dr. Baker

The soccer squad commenced practice last Tuesday on Price Field and genial Doc Baker was there with his familiar practice peach-baskets to begin his 18th campaign. Once an All-American soccer player, he now is associate professor of Greek. This year he will miss the services of assistant coach Charlie Matlack, who went off to learn some more Spanish down New Mexico University way.

A few members of the team are missing also. John Peterson, Ed Meyers, Dick Hanna, and Jack Webb have graduated. Goalie Larry Pleet has switched to Penn. Remaining in the backfield are Captain John Powell, Jay Ely, Jack Young, and Bob Meckelnburg. Jim Duncan, Jack Young, John Edleman, Ken Mammel, and Roy Foster are back on the forward wall, and "Rip" Christensen has made an auspicious start guarding the goal.

Added to these is a host of freshmen and newcomers. Captain Powell said that after only four days practice the squad looked better than it has in the past few years. If so, it may improve considerably on last year's 1-8 record. There will be a practise tilt with Hill School on the 10th before the opener against Muhlenberg on the 14th.

often, especially on Drexel quarterback sneaks.

Bear Line is Experienced

But the Ursinus line is a tough, experienced one, and they aren't going to be fooled often. A line that reads from end to end with Swett, Lafferty, Reich, Helfferich, Muench, Ehnnot, Pascucci and Lintner, Davis, Fry and Feulner as reserves is bound to develop into a good one. They certainly weren't outfought Saturday.

The backs will have something to say before the season closes also. One of the pleasanter surprises of the afternoon was the fine defensive game turned in by 150-pound back Bob Davis. A senior, Davis reported for practice for the first time this fall and was forced to play Saturday in sneaks because of a severe heel injury. But he knocked down pass after pass and was in on so many tackles that the Dragons probably thought he was all over the field at one time.

Young, Fischer Played Well

Don Young and Bill Fischer played inspired ball in a losing cause. Young was his usual brilliant self. Fischer, rock-ribbed 170-pounder, has always been a favorite among the Bruin followers, but Saturday's game was the finest your writer has seen the halfback turn in. He was the most capable pass receiver, and his defensive work was never better.

This week the Bears will be back in their own class when they travel to the Main Line to clash with Haverford. The Bruin defense is good, and all they need to get rolling is some punch in their offense. They are in need of better pass protection. They will miss the services of Maliken and "Chic" Scirica, a hard-running back from last year, as long as they are out with injuries. However, Miglio can certainly lug the leather, and should fill in adequately.

Drexel Whips Bears 26-0 To Open '50 Grid Season

by Roy Foster '51

The curtain was raised Saturday on the 1950 football campaign at Patterson field, and the boom was lowered on Ursinus by the Dragons of Drexel. The visitors marred Coach Ray Gurzynski's debut with a 26-0 triumph, as Joe Bigatel and Bob Brown sparked the attack. Bigatel tallied twice, Archie Gross once, and the final score came on a Gene Hug-Tom Lawler aerial.

Drexel grabbed an Ursinus fumble at the 25 on the first play of the game. In four plays they got nowhere, but neither did the Bears and Bill Helfferich punted. Drexel marched back but the Grizzly line held. And so it went through most of the first half; Drexel's advance slowing down short of a score, and Ursinus punting out of danger. But with about four minutes to go Gross skipped through the line for 14 yards and a T.D. Frank Fogarty converted.

Miglio Gallops 75 Yards

Al Miglio lifted the people from their seats with a 75 yard kickoff return but the Bears couldn't follow it up and Drexel held a 7-0 edge at halftime.

Ursinus started on the 23 when play resumed and moved 43 yards, lost the ball, regained it on Don Young's pass interception, and made another 14 yards. But the victors retaliated with a 95-yard drive climaxed by Bigatel's plunge through center to make it 13-0. The Bruins couldn't dent the wall thrown up by Drexel so they took to the air. Rusetski intercepted a pass and Bigatel turned left end for 16 yards and touchdown number 3. Fogarty made it 20-0.

Bears Are Baffled

Ursinus' offense was completely baffled and Drexel took over on the 33. Sophomore quarterback Gene Hug tossed to Tom Lawler for the final score. The try for point failed and the game ended 26-0.

Local fans will have to wait a while to see what Ben Maliken can do. The young fullback from Asbury Park, N.J., limped off the field with a foot injury early in the game.

Gerry Roughton Escapes Korean Crisis; Evacuates Seoul During Red Onslaught

"I guess we were all pretty scared when we were evacuated from Seoul," said Gerry Roughton '51, "but we were all busy trying not to show it. We had been given only two hours notice in which to pack as much as we could carry; we were lucky. Most people had to leave with only the clothes on their backs."

Gerry had arrived in Seoul, Korea, on June 6 for a visit with her mother, an employee of the State department. Although there had been early talk of the possibility of invasion, no one seriously considered the threat of an attack. The first days of Gerry's visit were pleasant enough, with no hint of an impending disaster.

It was quite a shock, therefore, on June 25, when the embassy requested all Americans to remain in their rooms, and the rumor of war was confined. By nightfall the noise of the guns became more pronounced, and tension was mounting rapidly. However, at one a.m. there was little time to think about the fighting when the order to evacuate was received. The weighty decisions as to what to salvage were foremost in the minds of the evacuees.

Trucks arrived at three a.m. to transport the Americans to Inchon. The freighter they were herded aboard there had accommodations for 14 passengers; for this trip there were 680. "This was the worst part of the evacuation," said Gerry. "We had to sleep in the hold of the ship and eat nothing but cheese sandwiches for two and a half days."

When the ship docked at Fukuoka, Japan, the American soldiers gallantly moved into pup tents so that the refugees might have sleeping quarters. The remainder of Gerry's trip to the United States was commonplace in comparison with her flight from Seoul, and she reports that the old saw "There's no place like home" goes double for her.

keep them busy, informed and entertained. Most of the new students arrived Sunday afternoon, September 24, when the new girls met their Junior Advisors. The boys were greeted at the Registrar's office by Y members.

Highlights of the program were the President's dinner for new students on Monday evening, the tea for the women students at the home of President and Mrs. McClure on Tuesday afternoon, and the reception in the Thompson-Gay gym held by the Student Governments and the Y Associations on Tuesday evening. Many "hello's" and "Did you have a nice summer?" were heard over the babble of introductions at this first dance, to which Big Sisters took their Little Sisters.

Campus tours were conducted and schedules worked out with group advisors so that by the time classes began Wednesday, September 27, each freshman was ready for them.

Freshmen Customs began Thursday under the administration of the Student Governments.

ETS Announces Law Admission And Grad Record Exam Dates

Ursinus will be a center for the February 24, 1951, administration of the Law School Admission Test, a requirement for admission to many law schools. Tests will also be given at other centers on November 18, 1950, April 28, 1951, and August 11, 1951.

A candidate must apply separately to each law school of his choice, inquiring whether it wishes him to take the Law School Admission Test.

Bulletins and applications for the test should be obtained from four to six weeks in advance of the desired testing date either by seeing Dr. J. Harold Brownback or by writing to the Educational Testing Service, P.O. Box 592, Princeton, New Jersey. Completed applications must have reached Princeton ten days before the desired testing date.

The same procedure will provide a candidate with information on the Graduate Record Examination, which will be administered at various centers throughout the country on October 27 and 28, 1950; February 23, 1951; May 3 and 4, 1951; and August 3 and 4, 1951. The completed application must reach the Educational Testing Service at least two weeks before the date of the administration for which the candidate is applying.

Pancoast Constructs New Home; Summer Work Aids Completion

Quick changes from professor to painter were made this summer by G. Seiber Pancoast, dean of men and political science instructor.

The result of a summer's work may be seen on Seventh Ave., Collegeville, where the new home of Mr. and Mrs. Pancoast and their daughters, Linda and Susie, is located.

The new one-and-a-half-story house is progressing rapidly, and thus far there has been no acute shortages of materials. The Pancoasts now live at 612 Main Street, Duryea Hall.
